1	Α.	Yes, sir.
2	Q.	You did?
3	A .	Yes, sir.
4	Q.	Okay. Does it say that in
5	here?	
6	A .	No, it doesn't.
7	Q.	So when I asked you if this
8	was accurate	and if there was anything
9	left out, was	there something left out,
10	or did you no	ot tell them that?
11	A .	I'm I'm going to be up
12	front and hor	nest. I'm not going to
13	remember exac	ctly what I said verbatim as
14	far as I'm no	ot going to say yes, I said
15	that or, no,	I didn't say that because
16	this has been	n so long ago that I'm not
17	going to reme	ember exactly.
18	·	This is consistent with what
19	the conversat	cion is I had with corporate,
20	but as far as	s throwing in like gender and
21	national orig	gin and all that stuff, I'm
22	not going to	say that's what I said
23	because I dor	n't remember word for word
2.4	what I said,	but as far as the problem

1 that had transpired with Yvette, this is consistent. 2 What I am getting at, 3 though, is, do you remember then whether 4 or not you told anybody, the person that 5 you made this phone call to, that you 6 7 thought this was all because of your gender or your race? 8 Can you ask me if I 9 remember? I would be honest with you, I 10 don't remember physically saying, hey, 11 you know, she's -- you know, this 12 because I'm male or anything like that. 13 I'm not going to say that I said that 14 because I don't remember, so, therefore, 15 16 I'm not going to say that. Go ahead, no, finish. 17 Therefore, this is 18 consistent with the problem that had 19 20 transpired. Okay. Now, I think we got 21 on to the subject by you telling me that 22 something happened following you making 23 24 this call?

1	Q. A.	nd what did she say to you?	
2	A. SI	he just really, more or	
3	less, just ble	w me off. She goes, I have	
4	nothing to do	with that.	
5	Q. D.	id she tell you that there	
6	was somebody e	lse you needed to talk to	
7	about it?		
8	A. Si	he says that she doesn't	
9	have time for	it and I needed to talk to	
10	somebody else.		
11	Q: D	id she tell you who?	
12	А. В	renda.	
13	Q. s	o she told you who to talk	
14	to about it?		
15	A. R	ight.	
16	Q. W	ho was Brenda?	
17	А. Т	he RTM clerk.	
18	Q. O	kay. Any other ways in	
19	which you were	subjected to harassment by	7
20	Yvette Schreib	er?	
21	A. 0	ther than that, just all	
22	the times that	she called me boy.	
23	Q . W	hat times did she call you

Q. Okay. So is that the only time she called you boy?

that -- when she would go by -- I told you one example when she said -- excuse my language, but when she said this looks like shit, and she would go by me other times and say, what are you doing, boy, and this doesn't look good, boy, and stuff like that and just real snotty comments.

That one I mentioned because

#### WILLIAM HANSON,

1	she said you know, she said it real

5	because she said this place looks shit	
6	and she said it so loud. It wasn't that	
7	bad, it was a lot better than the day	
8	before, and that's why I mentioned that	
9	one as the main one.	
10	But there was incidents	
11	comparable to that where she just called	
12	me boy, and then she told people you	
13	better look after that kid, like I was

Q.

#### WILLIAM HANSON,

what it is with Linda and Yvette that this -- they always gave me a hard time because other vendors -- I know other vendors, I talked to them, I know them from being a vendor before and a Lowe's employee, so I just know how vending works. And it was as almost as if I was a Lowe's employee working for Ideal Merchandising, and I felt like I was being treated worse than when I was a Lowe's employee.

I was a Lowe's employee under Yvette's direction when she was store manager and, uhm, that's why I say I have no other choice, but to look at it as sex, because, like I said, they are both females and I don't know what it is about what I have done -- like I said, I don't know, because it probably started from when I worked at Lowe's, but I have to look at it from that perspective as being a male, that they had it in for me.

Because they are both

#### WILLIAM HANSON,

get as much knowledge in electrical and plumbing through Ideal and then get into Lowe's.

Even though I was going through this tough time, I knew this is what I was doing since I was 18, always -- my career always seemed to evolve around Lowe's, whether for or outside of Lowe's, so since I felt this is my niche and what I have always done, that I just needed to stick with it, so I wasn't thinking of any kind of -- taking it to the next level, just basically just take it a day at a time and just hope, you know, it just gets better.

Q. Tell me what your complaint was to Larry Reed.

A. Just frustrated that no matter what I do or what I say, Yvette and Linda have it out for me and -- and they make it real uncomfortable for me, just a hostile environment, always checking up on me, and when they do approach me, it's abrasive, it's

1	negative, and it makes me very
2	uncomfortable.
3	And I told them about the
4	care line, that she denied what she had
5	done, and I just said this shows you the
6	character that she is. She said that
7	about me, to me, called me boy and all
8	these remarks, and she is going to deny
9	it, so I told him that to her this is a
10	game, because he's making serious
11	allegations and not fessing up to it.
12	Q. But when did you tell him
13	that you thought it was because of your
14	race and your sex?
15	A. I believe it was that week.
16	Q. What week?
17	A. The week of the care line,
18	when I called the Lowe's care line.
19	Q. And you clearly remember
20	telling him it was for those reasons?
21	A. Yes, sir.
22	Q. Is there anybody else at
23	Lowe's who you told it was because of
24	your race and your sex?

	1	
1	A. No, sir.	
. 2	Q. Now, if that was the reason	n
3	that you felt you were being treated th	at
4	way, why did you not very clearly state	
5	that to the customer care line when you	
6	made that call?	
7	A. Going back to the call tha	t
8	I made about Yvette Schreiber?	
9	Q. Well, you told me earlier,	
10	and correct me if I'm wrong, you don't	
11	remember specifically if you said it wa	s
12	because of your race or sex, but you di	d
13	tell me that Exhibit 4 was substantivel	У
14	correct with regard to what you have to	l d
15	the person on the customer care line;	
16	correct?	•
17	A. That's correct.	
18	Q. Why didn't you make sure	
19	that you told them it was because of you	ur
20	race and your sex, because, as you said	a
21	minute ago, this is a serious allegation	n,
22	isn't it?	
23	A. Yes, it is.	
24	Q. Why didn't you make sure y	o u

1 told them that?

wanted to rectify it. My intent in calling was not to cause a scene and make a mountain out of a mole hill, but maybe this would break the ice, maybe this would -- maybe it would -- maybe it would and maybe it wouldn't, but for some people it works differently, but maybe this call would have us establish some sort of relationship that's on a business level and not on a confrontational level.

My intent to call was to work things out, just to have a rapport, to have some kind of a rapport and understanding and communication. That's the purpose of the call. I wanted to work things out, not -- not just be like, you know, she needs to -- needs to -- I don't have the authority to say she can be transferred or whatever, but just to work things out.

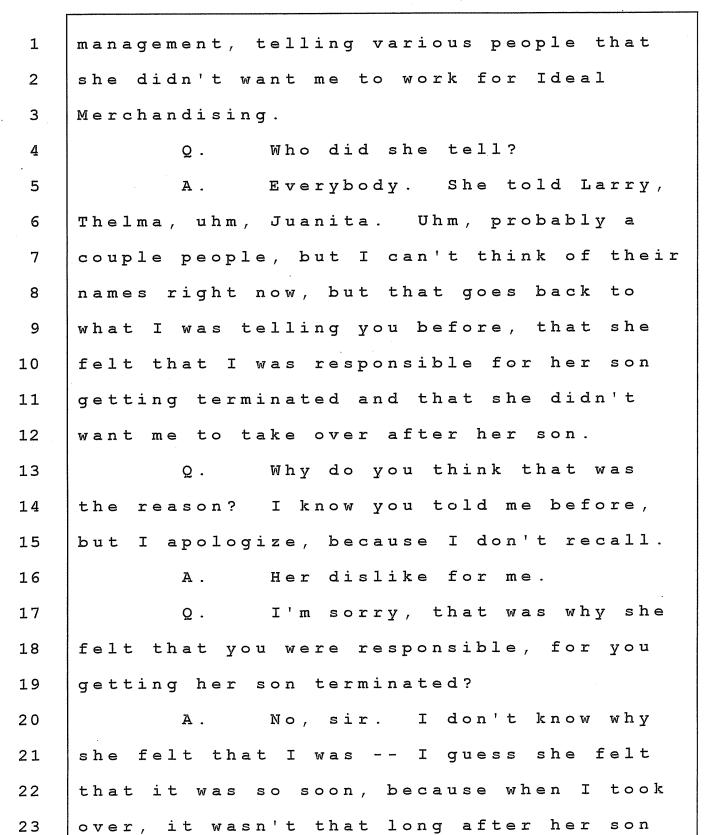

you work for people and you're not going

I mean, sometimes, I mean,

1	to get along with them, and in this cas	se,
2	that happens to be the store manager,	nd
3	I'm just a vendor, but I still I jus	s t
4	wanted to work things out because I	
5	didn't feel like I should have to go to	>
6	the Lowe's store depressed all time	
7	because I feel this is another day when	: e
8	Yvette picks on Will and gets embarrass	ed
9	in front of everybody.	
10	Q. Let's go back to paragraph	ı
11	14 of your complaint, and we were talki	ng
12	about you were subject to constant	
13	harassment by store manager Yvette, and	1.
14	the rest of it says, and assistant stor	: e
15	manager Linda Myer.	
16	A. Yes, sir.	
17	Q. Tell me how Linda Myer	
18	subjected you to harassment.	
19	A. From the very	
20	Q. I should say Myers.	
21	A. Myers, yes, that's correct	: .
22	Starting from the very fir	st
23	day, which I have already mentioned whe	n
24	I almost didn't get the job with Ideal	

1	Merchandi	sing, that	Jeremy Leaman had got
2	a mysteri	ous call, no	ot to his cell phone,
3	but amazi	ngly at the	department that he
4	was at, w	hich was hor	me decor, which I had
5	to do pap	erwork at, n	mini blind
6	departmen	t, and she	would have had to
7	have know	n exactly wl	here he was at
8	because e	very depart	ment has a different
9	extension		
10		So one o	of the associates
11	picked up	and said,	is there a Jeremy
12	here? He	goes, yeah	, that's me. Got the
13	call from	the depart	ment and it was in
14	a nutshel	1, after the	e call, I didn't even
15	ask him a	nything, and	d he said that was
16	Linda. D	o you know w	who she is?
17		And I sa	aid, yeah. Like I
18	said to y	ou before, t	that goes through the
19	whole sto	re why she	didn't want me to
20	work ther	e.	
21	Q .	Let me r	make something clear.
22	Jeremy wo	rked for Ide	eal; correct?
23	<b>A</b> .	Yes, sin	r.
24	Q.	And Idea	al serviced plumbing

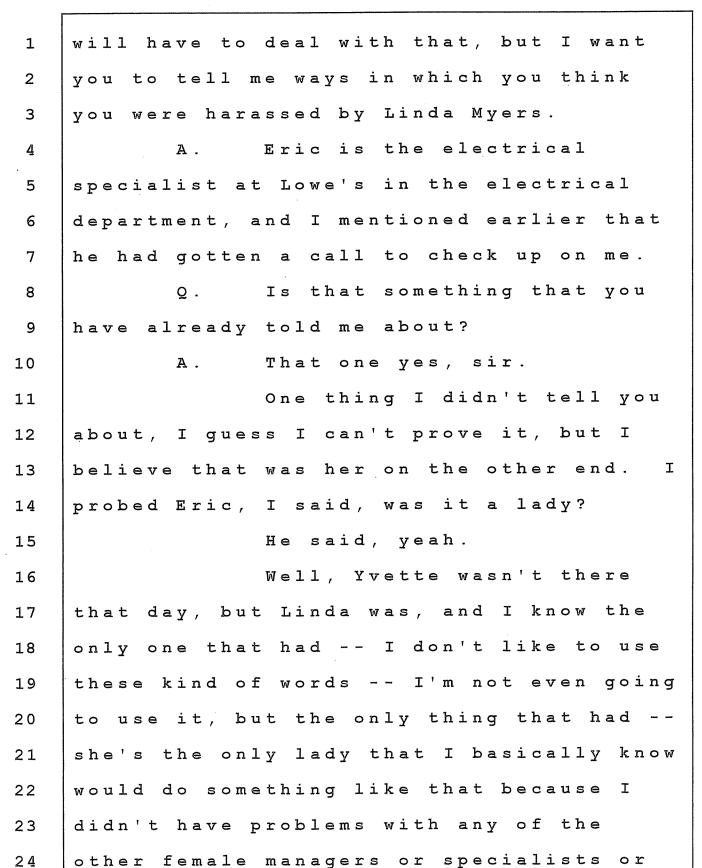

1	and electrica	al?
2	А.	Yes.
3	Q .	So if Linda Myers wanted to
4	know what dep	partment he was in, she had
5	two choices,	didn't she?
6	A .	Yes, sir.
7	Q .	Plumbing or electrical?
8	A .	Yes, sir.
9	Q.	So for her to know what
10	department he	e was in really didn't take a
11	whole lot of	guesswork by her, did it?
12	Α.	No, it did not.
13	Q.	So you told me about that
14	one. What ot	ther instances do you feel
15	that you were	e subjected to harassment by
16	Linda Myers?	
17	A .	I want to say the
18	chastising, i	if that's the right word, or
19	the I don'	't know if I am using the
20	right word th	here, but more more like a
21	defamation ty	ype of situation because she
22	was telling w	various people that she
23	didn't want m	me I mean, and she
24	shouldn't do	that, being she's in

got terminated, we are talking maybe

24

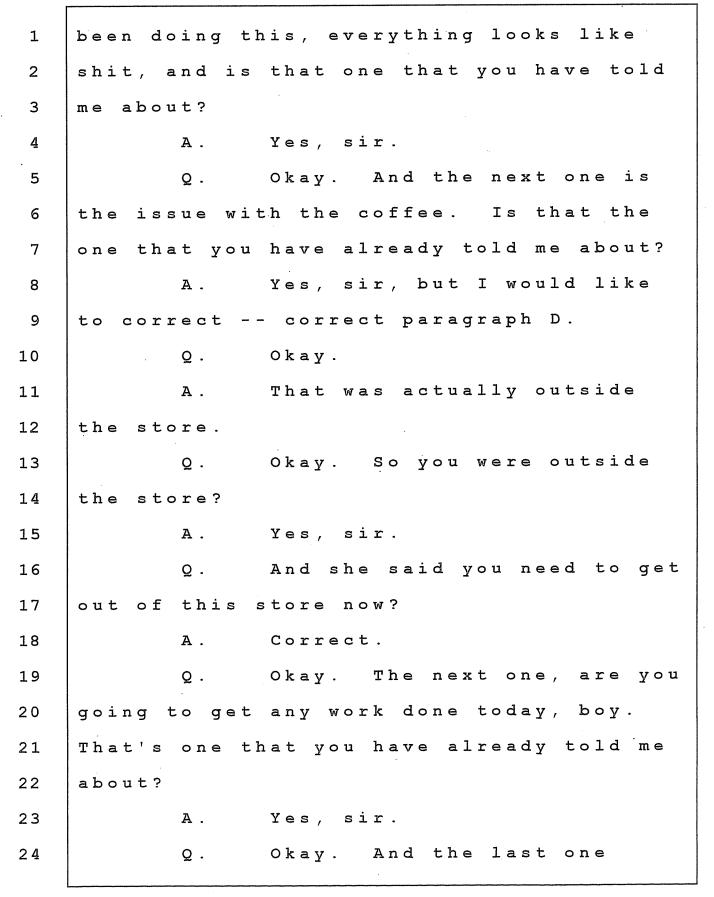

1	about a month, and so it's not like the	re
2	was this big gap where nobody serviced	
3	plumbing and electrical. Shortly	
4	thereafter I was hired, and I guess	
5	because it was so fast that they hired	
6	someone, she probably felt I was	
7	responsible for getting her son	
8	terminated, which wasn't the case becau	se
9	I don't even know her son.	
L O	Q. That's your own speculation	n
11	on that, though, not something somebody	٠
12	told you?	
13	A. That's something from Larr	У. г
14	Joe, Juanita and, like I said, a couple	
15	of other people I can't even think about	t.
L 6	Q. Okay. And any other ways	in
L 7	which you were harassed by Linda Myers?	
L8	A. I can't I can't prove i	t,
L 9	though.	
20	Q. Well, tell me.	
	A. I believe see, it's	I
21		
21	don't know if she	

1	whoever they may h	oe. Most of them I
2	didn't even have a	a rapport with, to be
3	honest with you,	so I knew if anyone
4	would call, it wou	ıld be her, especially
5	if it was an inter	nal call.
6	Q. But y	ou don't know that for
7	certain?	
8	A. I dor	n't know that for
9	certain.	
LO	Q. Any	other ways in which you
L1	were subjected to	harassment by Linda
L2	Myers?	
L3	A. Other	than the fact that
L 4	she, I mean, chast	tised me with my
15	district manager,	said stuff, said stuff
L 6	with other Lowe's	employees.
L 7	Q. Now y	you got to be specific
L 8	on this.	
L 9	A. Basio	cally I am just
20	paraphrasing what	I already said.
21	Q. I dor	n't need to know
22	anything you alrea	ady told me.
23	What	I asked about is ways
2 4	in which Linda My	ers harassed you, and

1	here's what you told me, and tell me if	
2	there's anything that you've left out.	
3	She made a call to Jeremy Leaman on the	
4	first day where she said she didn't want	
5	you working there?	
6	A. Correct.	
7	Q. She told various people that	
8	she didn't want you working for Ideal?	
9	A. Correct.	
10	Q. And you listed a few of	
11	them, Larry, Juanita, Thelma. I think	
12	they are the three I wrote down, at	
13	least.	
14	A. Yes, sir.	
15	Q. Next one, Eric got a call	
16	checking up on you, and you think that	
17	was Linda Myers doing that?	
18	A. Yes, sir.	
19	Q. Okay. Any other ways in	
20	which you were subjected to harassment by	
21	Linda Myers?	
22	A. The other one would be I	
23	know you're not going to talk about it is	
2 4	the termination.	

1		Q .	We are	going	to talk about	
2	the ter	minati	on. Yo	u're n	ot getting off	
3	that ea	sy.				
4		<b>A</b> .	Yeah.			
5		Q.	But tha	t s	o the term	
6	and I j	ust	· I don'	t want	to lose sight	
7	of any	of the	other	instan	ces, so the	
8	termina	tion i	s an in	cident	we will list,	
9	but wha	t else	e, any o	ther w	ays?	
10		А.	Not tha	t I ca	n think of.	
11	That wo	uld pr	obably	be it.		
12		Q .	Okay.	Now, d	id you ever	
13	complai	n to a	nybody	about	the way that	
14	you wer	e trea	ated by	Linda	Myers?	
15		A .	Yes, si	r.		
16		Q .	Who did	уои с	omplain to?	
17		А.	My boss	, Jere	my Leaman.	
18		Q .	When di	d you	complain to	
19	Jeremy	Leaman	about	the wa	y that you were	
2 0	treated	l by Li	.nda Mye	rs?		
21	·	A .	Probabl	y like	a week or two	
22	weeks a	fter s	she didn	't wan	t me there.	
23		Q .	So this	is pr	etty soon after	
2 4	you sta	rted?				

	1	
1	says, Mr. Leaman called plaintiff on	his
2	cell phone, and is this the conversa	tion
3	that you told us about following the	È
4	complaint that you made?	•
5	A. Yes, sir.	
6	Q. Okay. Now, if you take	: a
7	so are those all the instances of	
8	harassment, in addition to anything	else
9	that you may have told me today in y	our
10	deposition?	
11	A. I'm sorry. Repeat that	: .

15	A. Yes, sir.

19	referencing paragraph 16, and it ask	s you
20	to describe every instance of retali	ation
21	that you suffered at Lowe's.	
22	Now, it refers to all o	of

6		Α.	Yes, s	sir.

10		Α.	Yes, s	sir.
11		Q .	What d	did you do with it

13		Α.	I woul	ld reuse the tape over
14	and ove	r and	over.	The tape was nothing
15	like I	kept i	.n my d	iesk or I just
16	reused	it, ju	ıst fli	ipped it back and forth
17	and jus	t used	l it ev	very day. I left gaps

19	was new	•		
20		Q.	What d	did you do with it?
21	Did you	liste	en to i	it afterwards?
22		Α.	Yeah,	I would listen to it.
23	See, so	me of	the Lo	owe's stores have two
24	station	s. Ac	tually	y, most of the stores

have two stations. When I say stations, 1 I mean stations to print out stickers, 2 bin labels, beam labels, for pricing of 3 4 the product. So what I would do is 5 would play every SKU number that I had, 6 and it would say aisle, for example, 7 7 following SKU numbers and 37168, you 8 know, most of them were five numbers, 9 10 37162, and then there would be a pause, aisle 8, and while I was -- I type fast, 11 so when I would play it, I would type it 12 13 and get all the SKU numbers in and print 14 it out, because they gave me a lot of paperwork, Ideal Merchandising, that is, 15 so I didn't want to carry too much 16 paperwork and that's why I had a -- the 17 tape recorder, but I would play it, just 18 listen to the SKUs, input all the SKUs 19 into the computers, have the labels 20 printed out. Then when I was done with 21 22 the tape, I would reuse the tape for the 23 next day. Where would you type it out? 24 Q.

1	A. Uhm, at the	e station that
2	that you were able to p	rint out labels
3	for bin and beam sticke:	rs.
4	Q. So within	the Lowe's store?
5	A. It was ins	ide the Lowe's
6	store that I played it.	•
7	Q. Okay. Did	anybody at Lowe's
8	ever you mentioned as	n incident with
9	Carlos. Anybody at Low	e's ever talk to
10	you about having the tag	pe recorder or
11	seeing you with the tap	e recorder other
12	than that?	
13	A. Nobody, the	at's why I guess I
14	mentioned Carlos.	
15	Well, I ca	n't say that to
16	back up, I know people	have seen me with
17	the tape recorder.	
18	Q. Nobody eve	r said anything to
19	you about it?	
20	A. But nobody	ever said
21	anything to me about it	•
22	Q. Did you ev	er ask anybody if
23	you could use the tape	recorder in the
24	Lowe's store?	

1	this right then and there in front of the
2.	gentleman, Andrew Boggerty, that was
3	working there at the time, so I thought
4	it would be just a verbal, uhm, situation
5	where he asked me questions and I
6	answered them and he would type it in.
7	I don't think I would have
8	to write all this down, so that's just on
9	my part just bypassing that for some
10	reason.
11	Q. But you did know that you
12	had to check race?
13	A. Yes.
14	Q. And national origin?
15	A. Yes, sir.
16	Q. And color?
17	A. Yes.
18	Q. Okay. Let me ask you, in
19	the section where you wrote down below
20	there, you have store manager, Yvette,
21	has called me boy on several occasions,
22	we have talked about that; correct?
23	A. Yes, sir.
24	Q. Yvette has walked by me in

that's not me. I wouldn't say anything 1 2 like that. Okay. Now, there was also a 3 portion on there where you -- when you 4 started speaking with Carlos and you said 5 6 something about what was it you were 7 saying to me earlier; is that right? Α. I was saying what was you 8 9 saying -- I don't remember the whole 10 extent of the conversation, but he thought me using a tape recorder was a 11 joke, and that I believe what I said to 12 him after that was, you think this 13 joke, you take this -- and then after 14 that I said, what did you say, you think 15 this is a joke? And I had the tape 16 recorder in my hand, and I said, here, 17 take the tape home, and I gave him the 18 tape, and I said you could learn 19 20 something from it. 21 Why did you want him to say Q. it again -- you asked him -- you didn't 22 23 say that loud enough; is that what you 24 said?

A. Yeah, that he didn't say -	-
I said that he didn't say that loud	
enough because he said that by me using	a
tape recorder is a joke.	
And I said, what did you	
say?	
He goes, that's a joke.

                   Now, was the conversation
13
            Q .
    something to the effect of what was the
14
15
    thing you said a couple minutes ago; is
    that what you asked him?
16
            Α.
                   Yes.
17
                   And he said, what, about my
18
            Q.
19
    dick in your mouth?
                   Something like that.
20
            Α.
                   Is that what he said?
21
            Q.
                   Yes, sir.
22
            Α.
                   And you then said you didn't
23
            Q.
    say that loud enough?

                  From your standpoint, is it

    reasonable for Linda Myers, then, to say

    that there were tape recording

    conversations in the Lowe's store?
10
11
           Α.
                 Not necessarily.
                  No? But you had, in fact,

21
                  Mr. Hanson, I'm showing you
22
    now what we have marked as Exhibit 8. It
23
    is a policy from Lowe's Human Resources
24
```

Management Guide entitled Prohibition Of 1 2 Recording Equipment Use. Have you ever seen this 3 4 policy before? No, sir. Α. 5 Okay. Were you aware that 6 Q. Lowe's maintained a policy with this 7 title? 8 9 No, sir. Α. Okay. I would like to run 10 Q. through a little bit of the policy with 11 you and, if you would, look -- actually, 12 13 would you like to take a minute and read 14 it to yourself? You can highlight what you 15 Α. 16 want to say. 17 Q. That's fine. Let's look at paragraph B. 18 you see where it says, consequently, 19 Lowe's prohibits employees from using any 20 recording device on company property, 21 including audio, video and still 22 23 photography. So under this policy, 24

2	A. I was.
3	Q. Why does it not say that
4	here if you, as you have just testified,
5	typed this up on the night that it
6	happened?
7	A. Because I didn't type
8	everything on here. It's a clerical
9	error. I made a mistake. And I will
10	pinpoint the mistake I made, uhm, that
11	this was outside the store and that she
12	did tell me to go to my car, but also did
13	yell and point to leave immediately, not
14	to say verbatim I'm sorry, to say
15	verbatim leave me and go to your car, I
16	can't say that, but she said a lot of
17	things and I was just trying to highlight
18	exactly what she said, but she did tell
19	me to go to my car, and just I didn't
20	document it on the November 20th one.
21	Q. Okay. But you were outside
22	the standing outside the door to the
23	store, was it?
24	A. I'm sorry, yes, sir.

1 And just so I'm clear, in a Q. Lowe's store typically there's the 2 3 entrance and exit and then there's an 4 area, kind of an apron, for lack of a better word, outside of the store; is 5 6 that right? Yes, sir. 7 Α. And there's shopping carts 8 O . 9 along that area? 10 Α. Correct. 11 Q. Is that where you were standing? 12 Α. No, I was outside of that. 13 14 So would that be in the Q. actual driveway of the store? 15 Uhm, the concrete portion 16 17 where just about -- just about you getting inside to the Lowe's. 18 19 Is that -- the concrete 20 portion, is that where the carts are, 21 shopping carts? 22 Actually, it's what you were talking about, the apron portion, that's 23 actually kind of inside. The concrete 24

1	portion was inside of that.
2	Q. Are they actually inside of
3 ,	the doors of the store, the carts?
4	A. Yeah, they are actually
5	inside the doors.
6	Q. So you're standing on the
7	concrete portion that's outside the
8	doors?
9	A. Just outside.
10	Q. I understand.
11	Okay. The next one is
12	December 2nd, 2003. Is this the incident
13	where you were, was it, standing at the
14	desk in electrical and she said, are you
15	going to get any work done today, boy,
16	yeah, that's right, I'm talking to you
17	boy?
18	A. That's correct.
19	Q. That's the one you have
20	already told me about?
21	A. Yes, sir.
22	Q. Okay. Next one, December
23	3rd, 2003, called Mr. Leaman on December
24	2, encounter with Yvette, and is that the

1.	Linda told Jeremy I was terminated

4	therefore, Carlos gave Linda the ta	pe.
5	Q. Okay. Now, tell me a	little
6	bit about this. It says, as new ve	ndors,
7	Folder and Ramirez are both experie	ncing
8	similar discriminations with the st	ore
9	management. What was going on with	
10	Mr. Folder and Mr. Ramirez?	
11	A. Yvette was basically d	oing
12	the same thing to them that she did	to
13	me, and that's micromanaging their	work,
14	and as vendors, that usually typica	1 1 y
15	doesn't happen at the Lowe's store,	so
16	she basically was treating them as	if
17	they were Lowe's employees, except	
18	treating them worse.	
19	Q. Treating them the same	way
20	she treated you?	
21	A. Correct.
